Work Experience

Culture Mapping 90404 Metadata Fellow
@ 18th Street Arts Center, 2019
Provided organizational and research support
for the non-profit arts organization on their
Pico Neighborhood cultural archive project.

Materials Assistant
@ UCLA VAPAE Program, 2019
Managed teaching resources for use by students
and teaching artists of the UCLA Arts Education
program, including composing a comprehensive
materials inventory and instituting a digital
check-out system.

Teaching Artist
@ Ad Astra School, 2019
Instructed a studio-based arts curriculum
for SpaceX's in-house school, focusing on
expanding the arts into a language for
personal expression.

Teaching Artist
@ Emerson Community Charter, 2019
Developed and taught visual arts curriculum for
middle school, introducing various art-making
approaches as context for personal
and community growth.

Gallery/Equipment Consultant
@ UCLA Design Media Arts, 2017 - 19
Managed audio/visual technology inventory
and production/exhibition spaces for use by the
Desgin Media Arts department. Responsibilities
included developing a custom JavaScript-based
inventory system for 200+ items and maintaining
department spaces including installation and
deinstallation of gallery shows.

Elementary Art Teacher
@ Nora Sterry Elementary, 2017
Designed and implemented a four-week stop
motion animation curriculum for first grade,
using the process of short film production as
scaffolding for a collaborative narrative of
their future.

Multimedia Editor
@ Graphite Journal, 2015 - 17
Provided written/visual digital content and
editorial support for the Hammer Museum arts
and literary journal.
